

BUDDSTEEL

ARCHITECTURAL PRODUCTS LTD

CANADIAN-MADE HDPE SHOWER & TOILET PARTITIONS

Buddsteel's HDPE (High-Density Polyethylene) Toilet Partitions are engineered for the toughest wet environments. Manufactured in Canada, these 1" thick solid plastic partitions feature colour throughout the material, providing exceptional durability, moisture resistance, and long-lasting performance. Matching HDPE shower benches are also available to create a complete, maintenance-free shower system.
